

We all know them. Colleagues and peers who strive to make a difference in our profession. These people are talented, dedicated and their enthusiasm is often infectious. They are passionate about NSH and the future of histology and now is the time to recognize them for their achievements and contributions.

We invite you to nominate a professional for the 2011 NSH Awards and Scholarship program. These awards acknowledge the best of the best – those who go above and beyond what is expected. Through the Awards program, we showcase the best professionals our discipline has to offer. Take the time now to nominate someone who best exemplifies the word extraordinary.

The recipients of the 2011 NSH Awards and Scholarships will be honored and recognized at the 37th Annual Symposium/Convention, September 16 -21, 2011 in Cincinnati, OH. It will be an experience that they will never forget.

Please review the detailed descriptions of each Award and their respective criteria and then nominate the deserving professional. Please be sure to submit applications by the nomination deadline of June 1, 2011. Please visit the following link to view current awards criteria and new awards for 2011:

Thank you for your membership in NSH and for your participation in recognizing excellence in our discipline.

Sincerely,

Kerry Crabb
President, NSH
Committee

Jean Mitchell
Chair, 2011 NSH Awards
